## ORDER

Claimant requested review of the Award entered by Administrative Law Judge Bruce E. Moore dated February 5, 1996. The Appeals Board heard oral argument on June 6, 1996.

### **Appearances**

Claimant appeared by and through her attorney, Zackary Starbird of Topeka, Kansas. Respondent and its insurance carrier appeared by and through their attorney, Jerry M. Ward of Great Bend, Kansas.

#### ISSUES

The Administrative Law Judge denied claimant's request for benefits based upon the finding that claimant had failed to prove she sustained personal injury by accident arising out of and in the course of her employment with the respondent. Claimant requested this review and asks the Appeals Board to review that finding. That is the sole issue on this review.

# FINDINGS OF FACT AND CONCLUSIONS OF LAW

After reviewing the entire record, the Appeals Board finds:

The Award entered by the Administrative Law Judge should be affirmed.

IT IS SO ODDEDED

The findings of fact and conclusions of law as enumerated in the Award by the Administrative Law Judge are found to be accurate and appropriate and are hereby adopted by the Appeals Board as its own as if specifically set forth herein. The Appeals Board agrees that claimant failed to sustain her burden of proof that she sustained personal injury by accident arising out of and in the course of her employment with the respondent or that her condition is related to a chemical exposure while working for the respondent.
